OF ALW BOHR

FOR VICE PRESIDENT, Andrew Jackson Donelson.

WEDNESDAY, MARCH 12, 1856.

e w le h story of past ages and amongst all he a' os of the globe, Pagan, Mahommed Chr. ian, one solitary contrivance that can y -m of fogmas in its thorough fitness for agof The Papal ecclesiastical strucb' s ed to its system of dogmas, and its sys-

The Catho ic people from childhood are lit to be seve at the Papal hierarchy is the ch which God established, that the Head lo g as e was upon earth, and that since Christ from the earth, the Head thereof has e S. Pet r the Apoetle, and each of three Head of the hierarchy, being in the place of ". I a sort of "God manifest in the flesh," u ha vine authority to appoint his Cardina Aschbishops, Bishops, &c., and that Cardinals, I a m ch as Christ from the pe ' is own V car. The people are furthe s. In a word, the tenure of office in the e ad hehavior-but it is during the goo lere fa uperior. Every priest is a te

wul-u t of the co gregation, but of his e Sin, alog with the sel-constituting and of dog as las been contrived in accord " rewith of but purpose to enlarge th we a auth my of the clirgy and to cruel o of years 'al to the tr vica of a Church

race of rath hem the of these Bishops P. ts. Thy are to expound the canon of p cil-o re " be emple it. We are to bear em as they cictate the will of God from the t with , he de rees of Councils, an rutli v lomes and settle for us

they ar ill you y a cable to appease the wrath

The billion of Curts in the saver or creately for the saver of the sav verified by the practical example of the St. Louis Church of Buffalo in New York. The

themselves, they might have enjoyed all the benchis of the acroments. But they had no such
power. For whilst on Catholic principles there * • \$15.00 power. For whilst on Catholic principles there pass through animals and some birds and reno salvation without the sacraments, and the main a long time in manure with inimpaired sacraments cannot be administered without a vitality. If it spronts in a field of wheat or rye ford county, Kanticky, from where he was est, so neither can a Priest be appointed nor and the good seed grows and maintains a vigorunned over a congregation without the sole one condition, like half conquered virious habits, filted a Bishop. And thus it was that Bishop it will keep out of sight, being overshadowed the aid of an abolity Illughes proved too strong for the trustees of St. by the good grain, yet it will attein the height loans Church, and they accordingly knocked of 2 or 3 inches and produce seed. Should ininder and knuckled, and begged the perdon of judicious grazing, initimely freezing, or any on the 21st ult. in Alexandria parish, La., in a God and their Bishop, and submitted in all other cause produce a feeble growth of grain, mutilated state. flugher could never have compelled it to subhe schismatics and rebel . But he was possed of a species of "piritual aimor far more

Council If the congregation had not been limplicit believers in the dogmas of Popery, Rishop plant producing from 3,000 seed.

Cast of the Hox Miss Murray.—The plant producing from 3,000 seed. erence which opinion prevails, but we concerte effective than any instrument of hodily punishent. He made the people believe that, unless it of much importance. If a man is convinced they repented or submitted to him, they must that good wheat will turn to cheat he will not being very und ry one perish. And perish they must withpure as will one who holds the opini nihat at nat deepest conception and mightiest achieve tent of Satan, into which he bath edmitted the reap." We offered a premium for the proof to induce experiment and observation, which, if she so whole canon of truth, and yet contrived that it dence of transmutation, will not end there, but aion and bondage made for the world. No par-tial error, like that of the Gnostics, framed out -or that of the Arians, framed out of the proud argum nts of reason—
or that of the Munster Anabaptists, framed out
of the lice tiousness of the will; but a stupendour deception and universal counterfeit of
truth, which bath a chamber for every natural ruth, which bath a chamber for every natural acculty of the soul and an occupation for every with any soil you please and place in it a certain the actor for accuracy, of nurseries get energy of the natural spirit. Pagan Rome is stand's work, constructed with his own mate. Satan's work, constructed with his own mate-

alas of ambition, arms, policy, and knowledge; their location; when they sprout carefully ex- lished reputation. All intelligent The Daily Journal has much the but Papal Rome is Satan's work, constructe with the materials of God, revealed in His Holy to the grain and convince yourself that each established b's the circulation in the country of any other daily paper printed in Louisv IIe; word. The system of Popery is altogether a sprout is from a grain of wheat; being satisfied on this point, allow nothing else to grow in the work of Satan, constructed with the images of on this point, allow nothing else to grow in the country of any other daily paper printed in Louisv IIe; and the Weekly Journal has much more than double the checkly Journal has much more than double the circulation of all the its vast and long-protracted influence over the or freezing, or any other supposed cause of other weekly papers in Louisville put minds of mer.; and, even in many cases where transmutation, and when you produce cheat let ame and open authority are rejected, the in-Is note of its doctrines is injuriously felt-as have it repeated by a committee of some of our amorgst all who attach a peculiar sanctity to societies. We shall consider the information any particular collection of elect worshipers on cheep at \$50, and will cheerfully pay it to set of a certain of earth and to any particular system of faith and the question at rest. Our corres form of worship, as if such were the only di- not fear a tendency to "German Transcendenmely appointed church, system of faith, and tadi-in" as the result of disbelief in things which form of worship, to the utter and entire exclu- cannot be proved.
